DIVING SKILLS SUMMARY:

Dive Instructor and Videographer

- A very experienced Dive Instructor (1800 dives) with much experience at managing the more timid Introductory Divers and older divers.
- Experienced Underwater Videographer and editor.
Produced a standard DVD of local Dive Sites
Creates personalised DVDs for divers including special occasions (underwater proposals , 50th birthdays, 100th dive etc)

Key attributes are patience and understanding of beginner divers needs. Very much a team player. An IT background provides a good foundation for the editing and management of the underwater footage.
